AEA PROPOSAL 7

Sustainable Transportation Incentive

Staying in line with the Mayor's and City's Green Vision and in celebrating its fifth anniversary, AEA support's increasing City employee's participation and utilization of public transportation options for traveling to and from work and while performing City business, the City will provide the following:

- Starting in January 2014, the City will provide an ECO-pass to all AEA represented employees.
- A tax deferred commuting savings account in which an employee may voluntarily elect to set aside a certain percentage of his/her pay for the purpose of purchasing public transportation passes.

AEA and Local 21 reserve all rights to propose, alter, modify, or withdraw a proposal at anytime, prior to final agreement.
